

Schedule Of Provider Trainings

The Butte County Public Authority is excited to continue our Care Provider training opportunities! In January, we will resume the Home Care Companion Caregiving DVD Series after taking the month of December off. Each video will be shown once a month in Chico and Oroville. The meetings will be facilitated by Public Authority staff, and there will be ample time for questions and answers regarding the videos or other topics and concerns. Every attending provider will receive a Certificate as well as a gift card for local services! Please R.S.V.P at the numbers below to ensure your spot.
